We now have a beautiful Beneteau 47.7 that will take you to the next level in your sailing!

Enjoy your progress from Twilight Sailing to performance Regatta racing with the support of an extremely experienced skipper and four permanent professional crew on board. This is a way to experience racing, fast track your skills and discover what real yachting is all about. Other options are the lower pressure “Mile Catchers” which will provide you with the nuts and bolts you need to become a great sailor without added racing pressure. Tighten up your skills and you will be ready to advance to inshore and offshore racing levels in no time!
