

Spring Newsletter 2006

Company News

Welcome to my first newsletter as owner of Eastcoast Sailing. At last the sun is out and Spring is here! After an unusually cold and wet winter, it's great to feel the warm Spring breezes.

My first months at Eastcoast Sailing have been very enjoyable and interesting. We have had some great corporate regattas and even one marriage proposal on board!

Bookings for Spring are already strong. As we approach the party season, don't forget that there are only four Fridays in December before Christmas this year, so make sure you book early to avoid disappointment.

Corporate Twilight Yacht Races

Our new yacht, Ubuluku, will be contesting the CYCA Twilight Series this year. Ubuluku is a 10 m/32ft Catalina 320 that can carry 7 guests plus your skipper.

We are offering the opportunity for a company to book Ubuluku for the whole CYCA Twilight Series or for individual races. A great idea for client entertainment or staff team building!

Another New Yacht to the Fleet

Our brand new Beneteau 523 is finally here! This state-of-the-art luxury yacht attracted strong interest at the Sydney International Boat Show this year.

The Beneteau 523 can take up to 24 guests in comfort and style. Half day charters are \$2,000 while full days are \$3,000, including skipper and crew. Full [catering](#) is available to make your day complete.

The Beneteau 523 is equipped with a television and is available for charter on [Melbourne Cup](#) day, Tuesday 7th November. What a day that would be!

Sailing School

Spring is here and Eastcoast Sailing School is backing in full swing! Please visit our [website](#) for a full listing of available dates until Christmas for our popular Introduction to Sail and Competent Crew courses.

Gift Vouchers

Gift Vouchers are a great Christmas gift idea for those looking for a gift with a difference!

Gift Vouchers can be put towards our Sailing School, our fantastic range of SLAM sailing gear, or a yacht charter. Vouchers are valid for 6 months.

And a New Motor Cruiser

Eastcoast Sailing is very pleased to announce that we have now added a 52' motor cruiser to our fleet. This luxury cruiser can take up to 32 guests for cocktails, 18 for a sit down buffet, and 12 for a formal a la carte dinner party. Also great as a spectator vessel for regattas.

Charters are for a minimum of 4 hours and cost \$525/hour in November and December and \$425/hour at other times.

Christmas & New Years Eve 2006

We are already taking Christmas and New Years Eve bookings!

Thursdays and Fridays in December are very popular for corporate Christmas parties so make sure you book early to avoid disappointment.

Our Catalina 320, Ubuluku is available for a group of 6 guests on New Years Eve. Single tickets on larger yachts are also available.

Affordable Luxury Yacht Ownership

Eastcoast Sailing is offering great yacht ownership packages which offer an affordable way to get into brand new luxury yachting for as little as \$120 per day. There are currently opportunities for a new Jeanneau 39i in Sydney Harbour.

Please [register your interest with us](#) if you are in the new yacht market!
