### Last Minute Christmas Party Bookings!

If you haven't organised your Christmas function yet, it's not too late!! We still have limited availability for last minute bookings on a variety of yachts.

The Seawind 1000 catamaran is great for a party for up to 20 guests. There is plenty of seating for a sit down meal, as well as room to move around while you mingle with your friends. The large trampoline area at the front of the catamaran offers a great place to stretch out and relax while taking in the harbour sights! Cost for December is \$1,276 for a half day charter.

For last minute Christmas bookings on the Seawind 1000 or other yachts, please [contact us](#) or phone 1300 883 023.

## Sailing School

Our Yachting Australia accredited sailing school will be operating all through summer.

We will be running our popular one day Introduction to Sail course each weekend from 14 January. This course is designed for absolute beginners, and teaches the basics of steering, wind and boat direction and adjusting the sails. Cost is \$180.

Our three day Competent Crew course provides you with the skills and knowledge to work as part of a yacht crew. The course covers personal safety, sail handling, rope work, sailing customs and much more. This course is suitable for those who have completed our Introduction to Sail course or who have some previous sailing experience. Cost is \$660.

Course dates for January and February are now up on our [website](#). We can also organise a course at a time to suit your group of friends.

## Corporate Teambuilding

Eastcoast Sailing Regattas and Treasure Hunts are fun and challenging events that promote communication and team work.

Our professional skippers, who are also qualified sailing instructors, will show your team the ropes so everyone can get involved in working together to be the first around the harbour!

You only need 12 people to make these events worthwhile. Cost starts at \$120 per person for a regatta or \$140 per person for a Treasure Hunt on luxury yachts.
